

Practice week 1 at Horten Natursenter 1st-5th of April

A scenic landscape photograph of a lake. In the foreground, the calm water reflects the sky and the surrounding greenery. A small, rustic wooden building with a gabled roof sits on the left bank, partially obscured by trees. Next to it, a tall, cylindrical wooden tower stands in the water. The background is a steep, densely forested hill under a bright blue sky with large, white, fluffy clouds. The overall atmosphere is peaceful and natural.
